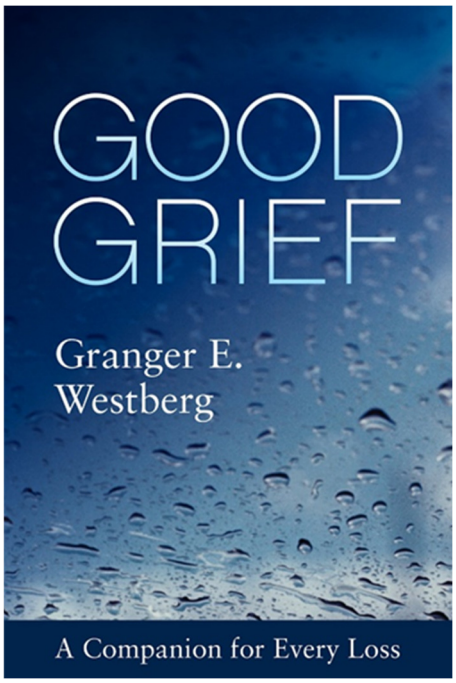
From the Pastor

May is a beautiful month of blossoms, Mother's Day, and graduations. It is also the month that we remember those who have passed on before us. Decoration Day or Memorial Day has always been important to my family. Being at our loved one's final resting place is a treasured space where we reflect and honor them.



It is also important for us at Newton Village to remember our family, our friends, and our neighbors who have passed. We have memorial services in each of our communities the week before Memorial Day and the week before Christmas. These services reminisce our loved ones with pictures, shared memories, Scripture, music, and prayer. Their families are also encouraged that their loved one is not forgotten as we fondly speak their name and eulogize them.

Living with loss is unique to each person. The late chaplain, Rev. Granger Westberg, wrote the short booklet, Good Grief, from his experiences. This resources has helped many people that I know realize the value and process for their sorrow. I have these available and will gladly share one with you at your request.

Pastor Dan Jordan
