#### From the Pastor

July 4<sup>th</sup> has always been a special time for me. Growing up on the farm we would work all day but in the evening would be going to town for the community band concert followed by fireworks. As a pastor in Clear Lake, Iowa for ten years, the Independence Day parade is nationally renowned for the political candidates who attend trying to get support for the caucus several months later.

This year July 4<sup>th</sup> is on a Sunday and I will be in Kentucky to see our granddaughter (and her parents). In place of Chapel, we will have a **special patriotic service** by our Activities Associate Lisa Blommers at 11a for the Health Center in their activity room and at 1:30p in the 1<sup>st</sup> floor activity room for the Independent, Assisted, Elim Garden residents. This will be a special time for everyone to hear and sing many of those favorite songs that make us proud and grateful to live in the United States of America.

Freedom and Liberty are very important to all of us. The Bible says to *Stand fast therefore in the liberty by which Christ has made us free, and do not be entangled again with a yoke of bondage* (Colossians 5:1). But this freedom and liberty is not political or national, but spiritual. It did not take eight years of war to settle the matter. This freedom is from Satan and sin to the liberty that God gives those who trust and receive the gift of Jesus' death and resurrection for their personal lives. Make this July 4<sup>th</sup> the best one yet. ~ Pastor Dan
