The entire **Newton Village Health Center Team**, all department staff and leadership, deserve a huge **CONGRATULATIONS** on a **DEFICIENCY FREE** annual and infection control survey!!!!!!

Deficiency Free surveys are nearly unheard of, let alone nearly 2 years into a pandemic with nearly 2 years' worth of stuff reviewed. Wow. Amazing job team!

Comments from the surveyors throughout the survey included, but weren't limited to:

"5-star nurse"  
"extremely clean"  
"great job"  
"really amazing"  
"kindness"

They spoke very highly of our infection control processes. They said everything they look for in infection control happens here and they can tell it's not just while they are there, it's been taught and reinforced. They complimented our dietary department for extraordinary quality and service. The entire health center team, every department is extraordinary. The team members sincerely care about the residents and each other. The team lives our service standards. Each member truly is Cassia, every day, every way.

Our last Assisted Living surveys were deficiency free as well.

This demonstrates excellence throughout the entire campus. Thank you to our residents and loved ones building-wide. We very much appreciate and love each and every one of you.

Sincerely,  
Angela

Our weekly Bible Study here at Newton Village has been simply reading a chapter of the Bible and discussing it. This year we have been reading through the first book in the Bible, Genesis. The Bible is God's revelation about Himself, not people's thoughts about God. Our Journey through Genesis has revealed God as a Good Creator, a merciful God, and the God who sees and hears to name a few.

Recently another of God's attributes surfaced - His presence. Four times in Genesis 39 it says that the LORD was with Joseph. God was keeping His covenant with Abraham and his descendants (Genesis 12, 15). God was with Joseph in some awful conditions, rejected by his brothers, sold as a slave with no rights and ultimately in a foreign prison. Yet, each time it mentions that God was with him, Joseph rose above his circumstances with God's wisdom and integrity.

That God with us is throughout the Bible. Jesus was called "Emmanuel" that means, God with us (Matthew 1:23). When Jesus left this earth, He sent God's Spirit to be with us and in us (John 14:17). We look forward to the day in the new heaven and new earth, when God will dwell with his people (Revelation 21:3). Jesus promised He would never leave or forsake us (Hebrews 13:5). We are never alone because God is with us. Live with His hope. ~ Pastor Dan
