Fruitful Harvest

September is known as harvest month in Iowa. Within a few short weeks, Combines will be combing the fields clean of beans and corn. A lot of work went into preparing the fields, planting, fertilizing, and spraying the crops that will soon be harvested. Had all this hard work not been done in the spring and throughout the summer, there would be no harvest in the fall. Farmers are about to reap the fruit of their persistent labor.

Galatians 6:9 -10 informs us to "not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith".

One day, we will be blessed by God for all the good we have done for others. Let us remember that what we sow today is what we will harvest tomorrow. So we must not give up sowing seeds of kindness, mercy, grace, and love. For in due time, we will receive the fruit of our labor. Keep showing the love of Christ to those around you, and one day Christ himself will bless you with a fruitful harvest. ~ Pastor Brian
